Category 5 - Ancillary and Lighting Products

GENERAL TERMS AND CONDITIONS

Prices shown in the product spec sheet are subject to change at any time.

The prices shown in the catalog will not exceed the Ceiling Price of the GoCUID as submitted to PSPC.

Prices shown do not include freight, installation, or applicable taxes.

Please be advised that the GoCUID shown in the catalog may be applicable to multiple products, depending on the combination of components and finishes. The price shown is specific to the combination shown in the catalog and will never exceed the ceiling price as submitted to PSPC.

Due to different client needs, the final pricing may differ from what is listed, for more information please contact your Government Sales Representative.

The catalog does not include information on the full available finishes and compatible configurations.

Please contact your Government Sales Representative for full finish specifications.

Images shown in this catalog are for representation purposes only. The actual product may differ based on size, finish, additional options, or final configuration.

For warranty, care, and installation instructions please visit your product's page on our website, contact support, or your Government Sales Representative.

The catalog may be updated periodically, the most recent version can be accessed on our website.
